BLACK-DRAUGHT STOCK & POULTRY MEDICINE

This great stock medicine is a money saver for stock raisers. It is a medicine, not a cheap food or condition powder. Though put up in coarser form than Theodore's Black-Draught, renowned for the cure of the digestion troubles of persons, it has the same qualities of invigorating digestion, stirring up the torpid liver and loosening the constipated bowels for all stock and poultry. It is carefully prepared and its action is so healthful that stock grow and thrive with an occasional dose in their food. It cures hog cholera and makes hogs grow fat. It cures chicken cholera and roup and makes hens lay. It cures constipation, distemper and colds in horses, murrain in cattle, and makes a draught animal do more work for the food consumed. It gives animals and fowls of all kinds new life. Every farmer and raiser should certainly give it a trial.

It costs 25c. a can and saves ten times its price in profit.

PITTSBURG, KAS., March 25, 1904.
I have been using your Black-Draught Stock and Poultry Medicine on my stock for some time. I have used all kinds of stock food but I have found that yours is the best for my purpose.

Closing Out Sale.

I am now Selling Out all my Well Located

Butler & Iron Co., Mo., Properties

AT GREATLY SACRIFICED PRICES AND ON EASY TERMS.
My properties in Butler County consist of many vacant and some
nicely improved lots in Poplar Bluff and Harviell, one Two-Story 22-
Room Hotel, one Saloon Building, and one Store Building, located be-
tween Frisco and St. L. I. M. & S. stations in the town of Harviell;
also Wild Lands and numerous Farms, in tracts of 40 acres and up.
My farm lands, both up-lands and bottoms, have a fertile soil well
adapted to the growth of clover and other grasses, also wheat, oats
corn and potatoes, as well as all other farm products raised in South
east Missouri. They are all located within one-half to six miles of
town and two trunk lines of railroad, the St. L. I. M. & S. R'y and the
Frisco system, some of them adjoining the right of way of each rail-
road. They are situated in good healthy settlements, within easy
reach of school houses and churches, and the best of water being ac-
cessible at minimum cost. I have lived in Butler county over a quar-
ter of a century enjoying good health and prosperity, and during these
years I have had chances to select the garden spots of the county. I
am also offering for sale several improved and a number of vacant lots
and a Three-Story 25-Room Hotel in the beautiful Arcadia Valley, all
located in Arcadia, Iron County, Mo. The only hotel in the town, and
is just a few steps from the railroad station and has a good patronage.
My motive for selling is my desire to retire from business, and will
not therefore hesitate to give any one wishing to invest a good bargain
on any of the above properties.
JOHN MANGOLD.

This Institution is designed and constructed for the comfort and accommodation of
patients who seek relief and recuperation and the recovery of lost health. Its location is
admirable for this purpose. It is on the Iron Mountain Railway, 89 miles south of St.
Louis, and 640 feet above that city. Nestled at the foot of Shepherd Mountain, embow-
ered among majestic trees, just off the main street, and free from its noise and dust, and
alongside, and connected with, the famed Emerson Park, with its shady walks and drive-
ways, Sylvan Lake and Grant Spring, and their attractive surroundings, no more beauti-
ful or restful retreat for the invalid and convalescent, or the weary and careworn, can be
found in all America.
